EXPERIENCE

IdeaBit Jabalpur, Madhya
Pradesh

Intern in IdeaBit September 2023

I learned a lot about WordPress during my three-month internship at IdeaBit in Jabalpur. Working on projects with a talented team gave me practical insights and improved my skills.

PROJECTS

- Form Craft Wordpress Plugin

This plugin makes crafting website forms easy, offering a user-friendly interface to effortlessly manage dynamic form entries.

- Fusion Energy Future

The websites's frontend seamlessly integrated with the WordPress blogging system.

- Social Share WordPress Plugin

Plugin adds social share buttons for easy content sharing on blogs.

- Interior Design HTML CSS template

This HTML CSS template is visually appealing and has an attractive design.
